

Alconbury Weald tree seed collecting day Sunday 27 October 11.00–13.00 Monks Wood, near Woodwalton

Alconbury
Weald
Make|Grow

Come and help collect seeds to grow the next generation of trees. We'll be gathering acorns and other tree seeds as we explore Monks Wood. Families are welcome.

The seeds collected will be grown on at Alconbury Weald Tree Nursery, to provide local provenance trees for future woodland and green spaces on the former airfield. Some of the seeds will be grown on at Huntingdonshire Community Nursery, to supply free trees for public and community spaces across the district.

We are organising a **free mini bus** from Huntingdon. To book your seats, please email Victoria at alconbury@urbanandcivic.com, or call her on 01480 413141. For further information about the event, please contact Amrita Huggins on 07748 623073.

Please note:

- we're meeting at 11.00 at the southern entrance of the reserve, grid reference 19695
- car parking is available on the lay-by at Saul's Lane – B1090
- wear suitable footwear as the woods can be muddy
- bring some carrier bags if you have some to spare.
